Re: Delaware Minority Job Fair for Second & Third-Year Law Students

Dear Student:

As part of an effort to recruit talented students and increase diversity in the Delaware Bar, a number of law firms, corporations, and governmental legal employers will participate in the Delaware Minority Job Fair for Second & Third-Year Law Students, which will be held on the Wilmington campus of Widener University School of Law on **Saturday, August 15, 2009**. The Job Fair, which is by invitation only, is limited to students who are in their second or third year of law school during the 2008-2009 school year and interested in employment opportunities in Delaware.

We urge you to apply for an invitation to the Job Fair. The Delaware Minority Job Fair differs from many other job fairs in that students must be invited to attend rather than simply registering and attending. In return, the students invited receive considerably more individual attention than is possible in a very large job fair. When you submit an application for an invitation, you are, in effect, submitting an application to all of the Delaware legal employers who participate in the program.

To become eligible for an invitation you must complete the attached application form and return it via mail, fax or e-mail, along with your resume and college and law school transcripts (if available), **no later than Tuesday, April 21, 2009** to:

You will be eligible for an invitation if two or more of the Job Fair employers wish to meet you. We plan to send out invitations enclosing a proposed interview schedule by mid June. Your response, accepting or declining the invitation, will be due by **Tuesday, June 30, 2009**.

There are no application or registration fees. If you are invited, you will need to arrange for your own transportation to Wilmington. We hope to be able to reimburse you for all or at least a portion of your transportation expenses. We historically have been able to reimburse 100% of such expenses. We will provide a breakfast to all invited students. A number of experienced attorneys and leaders of our Bench and Bar will join us for breakfast to answer any questions you might have about life and the practice of law in Delaware.

The Job Fair is a unique opportunity for law students not only to interview with a number of well-respected Delaware employers, but also to learn about the practice of law in the State from leaders of its legal community.

We are looking forward to receiving your application.

Sincerely,

Thomas E. Hanson, Jr.
