

## Scholarship Reconsideration Worksheet

To request reconsideration of your scholarship award, please complete this worksheet in full. Incomplete requests will not be considered. In order for your request to be considered complete you must include a copy of each of your scholarship award letters. You may also include an additional statement with other relevant information that you feel the committee should consider. **All documents must be submitted in pdf format.** Please note that while the committee will consider your other offers, scholarships are only increased in exceptional circumstances.

The scholarship committee will only reconsider your scholarship award one time so all relevant information should be included with your request. The reconsideration process is not an opportunity to “negotiate” with the committee.

It is the committee’s expectation that all information provided in connection with your request is accurate, complete, and sent in good faith. Submission of false or misleading information could lead to disciplinary action and/or a referral to LSAC for misconduct.
