UNIVERSITY OF HOUSTON LAW CENTER

**CALLING ALL LAW CENTER ALUMNI, FACULTY,
STAFF, STUDENTS AND VOLUNTEERS OF ALL AGES!**

THE UNIVERSITY OF HOUSTON LAW ALUMNI ASSOCIATION HAS TEAMED UP WITH TREES FOR HOUSTON –

a volunteer non-profit 501(c)(3) organization whose mission is to plant, protect and promote trees – to help Houston recover from the devastating drought by devoting a tree planting day around the law school. UHLAA is seeking sponsors and volunteers to help us purchase and plant the trees. Trees for Houston and the University of Houston will handle all of the logistics and make sure that the trees are watered and cared for in the years to come. This is the only way that we can begin replacing the millions of Houston's trees that we have already lost in the current, devastating drought.

We hope you will help us improve Houston's green canopy by encouraging your firms, families and friends to support this great cause with your donations and time. This family oriented event will be an opportunity to roll up your sleeves, make a lasting impact on our city, and enjoy a fun time with friends and family at the school. We can't do it without you!

To learn more about the Planting Day Committee, volunteer opportunities, and critically needed sponsorships, please contact **Hope Young**, Director of Alumni Relations at **713-743-2539** or **hyoung@central.uh.edu**.

WE ARE GRATEFUL TO OUR TITLE SPONSORS FOR ALL OF THEIR SUPPORT!
