

ASSIGNMENT

The course doesn't have any textbooks, case books or anything like that, so I had to create my own. I can't send them to you unless I know where to send them. In order to do that, I need to know where to send the materials, and that will require you to fill out the form that is included in the introductory materials.

Instructions for filling out the student information form:

1. Download the form, save it to your desktop
2. Open the form in Adobe
3. Fill out the form, and once you are satisfied, click the submit button
4. After you have sent the form, find a recent photo of yourself; I like to know who I am talking to. Preferably a head and shoulders photo.
5. E-mail the photo to me, at trb@explorationlaw.com

Once I have the completed form and photo, I will send you the course materials, via an Adobe link, which will allow you to access the materials at any time during the course.

Important: make sure you have the latest version of Adobe Acrobat Reader, available at Adobe.com, or you won't be able to use the course materials. Even better, you may wish to get a copy of Adobe Acrobat DC, which may be available at a discount for students.
