

OLD LINK FOR PREVIOUS TRIAL AD TECHNOLOGY SESSION

CAN USE THIS FOR MAKEUP VIEWING!

Previous Technology Session conducted by Andy Edison & Daragh Carter in 2016

TECHNOLOGY SESSION MAKEUP LINK (PREVIOUSLY TAPED SESSION): <https://www.casa.uh.edu/www/uhlcms/LAW/TrialTechnologyLecture/default.html>

I have tested the link & it does work perfectly. The viewing time is approximately 55 minutes. The information should be very similar to what was provided in the technology session on 3/28/18.
