The Intellectual Property Student Organization (IPSO) is dedicated to helping its members achieve their full academic potential while studying at the Law Center and promoting professional networking for students in collaboration with the Law Center's Institute for Intellectual Property and Information Law (IPIL) and the greater Houston legal community. IPSO provides mentoring to incoming Law Center students to help them leverage their strengths and avoid the common pitfalls of law school, maintains an active IPSO alumni outreach, and assists its members with their employment search.
