DACA
Deferred Action for Childhood Arrivals

What’s DACA?
DACA stands for Deferred Action for Childhood Arrivals. It is an immigration program. People who get DACA can get a work permit, a social, a driver’s license (in almost every state), and more!

DACA is renewable.
It is important to apply for renewal on time so that you do not risk losing your DACA, permission to work, ID/driver’s license, and other DACA benefits.

Come to our FREE legal clinic to see if you qualify for DACA or DACA Renewal!
