

ENTREPRENEURSHIP AND COMMUNITY DEVELOPMENT CLINIC II
UNIVERSITY OF HOUSTON LAW CENTER
FALL 2023

Christopher D. Heard
Clinical Associate Professor
Office: 343E
Telephone: 713-743-9154
Email: cdheard@uh.edu

Course Description:

As a student in the Entrepreneurship and Community Development Clinic (“**ECDC**”), you will have the opportunity to provide legal services to entrepreneurs, small businesses, and nonprofit organizations in a real-world setting. Providing accurate and helpful legal advice requires attention to detail, good communication skills, an understanding of the client’s needs and concerns, and the ability to craft legal solutions that work in a business context. It also requires strong legal writing skills.

In this course, we will focus on developing these skills through clinic work and case round discussions. The skills you will gain will be applicable to your work as a student in the ECDC and in your future practice.

Client Intake/Interview and Student Meetings:

Client meetings and student meetings with Prof. Heard can be scheduled by students within the following times using Outlook (process will be explained at orientation):

Monday, Wednesday, Thursday, and Friday: 9:00am – 12:00pm; 1:00pm – 3:00pm
Tuesday: 9:00am – 12:00pm

Classroom Component:

All students enrolled in ECDC II will meet with Prof. Heard as a group once each week at an arranged time. Class meetings will be devoted largely to discussion of the cases students are handling, including ethical and other practice issues arising from those cases, and to skill development.

Class session attendance is mandatory. Students may not be absent from more than two class sessions during the semester. By attending class sessions, you are certifying that you are prepared for class. Being prepared for class includes being able to clearly articulate your client’s legal and business needs and how you propose to address them.

Course Work:

Students are required to complete 50 hours of clinic work per course credit during the semester (i.e. a student enrolled for 2 credits must complete 100 hours of clinic work, a student enrolled for 3 credits must complete 150 hours of clinic work, and a student enrolled for 4 credits must complete 200 hours of clinic work). Clinic work includes class attendance, but excludes time spent preparing for class. You are responsible for all work on client matters in addition to class attendance. **It is your responsibility to manage your time efficiently.**

The University of Houston Law Center Entrepreneurship and Community Development Clinic Law Student Manual details the clinic's policies and procedures. Students will receive the manual prior to orientation. You are responsible for reading the manual in its entirety before the first day of classes and complying with all applicable clinic policies and procedures in connection with your clinic work.

All clinic work must be timely completed, closed, or transferred by December 1, 2023, unless otherwise approved by Prof. Heard in advance.

Remote Attendance:

Students have the option to attend up to four class sessions during the semester via Zoom videoconference. If you plan to attend class via Zoom, please let Prof. Heard know in advance by email.

Access to a webcam is required for students participating remotely in this course. If students attend class sessions via synchronous internet videoconferencing, students are expected to use etiquette appropriate for a video conference in a professional environment: (1) join on time and stay connected for the full class session, (2) keep your camera on, (3) stay on mute unless you are speaking to the class, (4) participate in class actively (pay attention, ask questions, answer questions), (5) reserve the chat feature for technical issues, and (6) because we discuss confidential client information during class sessions, you must ensure that no one else can hear the videoconference audio. You should use headphones if you are in a location where others could overhear. If you need to depart from these guidelines, please let Prof. Heard know in advance of class.

Video Journals:

Each student is required to submit four video journals (one to three minutes each) during the semester. Students typically use the camera on their phone or computer to record the video files. Your video journal entries should cover one or more of the following:

- personal goals attained and not attained;
- successes in client representations;
- disappointments;
- reflections about the law and legal process;
- reflections on the development of lawyering skills through the clinical experience;

- reflections on a conference call or interview experience;
- reflections on transactional law, entrepreneurship, and community development; or
- other thoughts or ideas.

The first journal entry is due on September 5. The second journal entry is due on October 3. The third journal entry is due on October 31. The final journal entry is due on December 1. Journal entries should be uploaded to MyCase (process will be explained at orientation).

Conferences:

Prof. Heard will hold mid-semester conferences September 25 through September 29 and exit interviews November 15, 16, 17, 20, and 21. Each student should reserve a one-hour meeting time for each conference using Outlook (process will be explained at orientation).
