

LAWYERING SKILLS AND STRATEGIES II

Spring 2025 Syllabus

Professor Lauren Simpson

Section E-1 (revised Jan. 2025)

Please read this Syllabus and the separate Course Description as early as possible before our first class (Mon., Jan. 13, 2025). Section E-2 has a separate Syllabus and Course Description. If you don't remember your assigned LSS section, you may check on AccessUH or under "memberships" in your Outlook profile, or you may contact the OSA.

Class "Information Sheet"

The class Information Sheet is your "one stop shopping," giving pre-class work, class-session conduct, and post-class work. The Information Sheet is the first item in each class module on our Canvas web course. I use a separate Information Sheet for two reasons: (i) to stay flexible, in case our class needs to evolve based on your feedback or my assessment, and (ii) to keep private student information, which appears in some documents that I link in these sheets.

This beautiful creature is a male [Longhorn Bee](#) (Tribe Eucerini), shown here on a [Firewheel](#) (*Gaillardia pulchella*), a native prairie flower. Longhorn Bees get their common name because the males have long antennae—which is frankly an adorable way to describe these bees. :) Learn more about Longhorn Bees [here](#).
