Subject: Final Settlement Amounts

The following are the final settlement contributions from all the PRPs and relevant parties:

Metals Recycling, Inc.: \$2,500,000

Transporter, Inc.: \$200,000

Lead Recycling Company: \$100,000

Chemco, Inc.: \$200,000

Property Broker, Inc.: \$10,000 and a "fence"

Selma & Jay Johnson: Although they initially offered up to \$2,000, they were given compassionate and special consideration from all the parties and were allowed to be set aside from the agreement.

Thank you.

Most Respectfully,

Art Aguilar, M.P.P.
