

UNIVERSITY of HOUSTON

LAW CENTER

Message from the Dean

August 13, 2021

Dear Graduate,

Congratulations! You have worked hard and now you are ready to put the power of your legal education to work in courtrooms and boardrooms, government service and public agencies. You have the opportunity to take the knowledge and skills you learned at the

University of Houston Law Center and uphold the highest standards of the legal profession by seeking justice for all, including those with limited access to the courthouse.

With your J.D., you also join the ranks of thousands of alumni practicing here in Houston and around the globe. Our alumni network is here to serve you; they will be your biggest supporters and mentors. As graduates, you have access to our free Continuing Legal Education (CLE) courses. Please visit our CLE webpage for more information at law.uh.edu/cle/.

As you begin your professional career, I encourage you to stay in touch with the Law Center. You can access our alumni page at law.uh.edu/alumni. We want to send you our alumni magazine and Law Center updates, such as my Dean's Notes, and information on alumni events. Thus, we need to stay current with your email and mailing address. You may send this information and any updates directly to lawalum@central.uh.edu. I hope you will get involved with the UH Law Alumni Association, which is a large and very active community that will enrich your professional and personal lives. The Association also will benefit from your participation.

On behalf of the entire Law Center community, best wishes for a successful career. I am honored that you are now part of our vast alumni network. I look forward to greeting you at alumni functions. Please feel free to call on me if I may ever be of assistance.

Warmest regards,

Leonard M. Baynes
